Who are we?

Xtra Smile Couriers was established by Mark Whyte in Cape Town in 2001, specialising in the transport of goods to and from Hermanus. The business grew from strength to strength and in addition to our local deliveries, Xtra Smile extended its footprint nationally in 2008 allowing us to become a one-stop shop for our customers.

We have a committed team with a collective experience of more than 50 years in the logistics business standing by to add that Xtra Smile to your deliveries.

Let our team assist in getting your goods to their location at the right time and at the right price, whether it's an economy service you require or an urgent parcel that needs to be delivered the next morning in another city... we have you covered.

We are committed
